

Adult Education Workshops*

Monday, November 19

8:00 - 9:00 a.m.

Learning Can Be Fun!

Location: Medical Forum A

Presenter(s): Kathy Watson, Central Alabama Community College

This workshop will focus on techniques/strategies used in an Adult Education classroom to enhance and enrich the learning process.

Monday, November 19

9:00 - 10:00 a.m.

Adult Education, WorkKeys Assessment, and the Career Readiness Certificate at Shelton State Community College

Location: Medical Forum A

Presenter(s): Phillip Johnson & Gary Youngblood, Shelton State Community College

Participants will learn how this Adult Education Program has incorporated state priorities that change the focus of instruction and provide more opportunities for its students.

Student Goal-Setting in Adult Education

Location: BJCC East Meeting Room N

Presenter(s): Bert Sims, Central Alabama Community College; Nancy McDonald, Bevill State Community College; Christopher Grindle, Jefferson State Community College; & Gwen Ekundayo, Lawson State Community College

This presentation will include review of Student Goals Handbook and Student Goals Calculator developed to assist teachers in helping Adult Education students select appropriate and achievable goals.

Monday, November 19

2:45 - 3:45 p.m.

ESL Multi-Level Lesson Demonstration

Location: BJCC East Meeting Room K

Presenter(s): Dawn Saint, Northeast Alabama Community College

This session will demonstrate through role-play and audience interaction ways to present an ESL multi-level lesson.

Monday, November 19

4:00 - 5:00 p.m.

More TESOL Tidbits from Seattle 2007

Location: BJCC East Meeting Room K

Presenter(s): Dawn Saint, Northeast Alabama Community College

Enjoy a variety of different, practical, and practiced ideas for the Adult ESL teacher and classroom, gleaned from various presenters at 2007 TESOL in Seattle.

Tuesday, November 20

8:30 - 9:30 a.m.

Preparing Adult Learners for Success

Location: BJCC East Meeting Room O

Presenter(s): Tonitta Sauls, Lurleen B. Wallace Community College

LBWCC plans to implement the Preparing All Learner's for Success Program (PALS) which will include GED preparation classes, WorkKeys preparatory classes, WorkKeys assessments, and the Bridge Program. PALS is a fast track program designed to help clients who are functioning at a ninth grade level and above. PALS will enable clients functioning at higher levels to progress without the repetitive work and instruction that lower level clients need. This session will enable you to learn how PALS can enhance your student success.

A Guide to Basic Essay Writing

Location: BJCC East Meeting Room K

Presenter(s): Reta Elder, Dekalb County School System

Instructors will learn strategies for teaching basic essay writing as well as effective ways of evaluating students' writing and providing necessary feedback in a timely manner.

** Certificates of attendance will be provided for each Adult Education session.*

Campus Safety and Security Workshops*

Sunday, November 18

1:00 - 2:00 p.m.

Keynote Address

Location: BJCC East Meeting Room O

Presenter(s): Dr. Robert Laird, Director, School Safety Division, Mississippi Department of Education

Monday, November 19

9:00 - 10:20 a.m.

The Safety Plan

Location: Medical Forum H

Presenter(s): Dr. Robert Laird, Director, School Safety Division, Mississippi Department of Education

This session will focus on the development, implementation, evaluation, and revision of a Safety Plan. A template will be provided to participants to facilitate the development of their own College Safety Plan.

ACS Colleges and National Security Issues

Location: Medical Forum I

Presenter(s): Charles E. Regan, Assistant Special Agent In Charge, National Security; Josh Alford, Special Agent, Federal Bureau of Investigation, Birmingham Division

This session will focus on National Security Issues and how ACS colleges can coordinate with law enforcement agencies regarding matters of national security.

Monday, November 19

2:45 - 3:45 p.m.

Privacy Rights and College Responsibility

Location: Medical Forum H

Presenter(s): Dr. LeRoy Rooker, Director, Family Policy Compliance Office, U.S. Dept. of Education

This session will focus on the appropriate balance between a student's right to privacy and the College's responsibility to maintain a safe and secure campus. Dr. Rooker is recognized as an authority on FERPA and HIPAA and is currently consulting with Virginia Tech and other institutions of higher education on this important topic. This session will be repeated on Tuesday at 8:30 a.m.

Campus Safety and Security and the Virginia Tech Massacre - Part I

Location: Medical Forum I

Presenter(s): Virginia State Police and Kevin Foust, Senior Supervisory Resident Agent, Federal Bureau of Investigation/ Richmond Division

This session will focus on law enforcement's response to the Virginia Tech Massacre. A historical review of the tragedy, as well as a discussion of lessons learned, will be presented by representatives from the two agencies. The information presented in this session will be law enforcement sensitive; therefore, participation will be limited to campus law enforcement officials only.

Monday, November 19

4:00 - 5:00 p.m.

Campus Safety and Security and the Virginia Tech Massacre - Part II

Location: Medical Forum I

Presenter(s): Virginia State Police and Kevin Foust, Senior Supervisory Resident Agent, Federal Bureau of Investigation/ Richmond Division

This session will focus on law enforcement's response to the Virginia Tech Massacre. A historical review of the tragedy, along with a discussion of lessons learned will be presented by representatives from the two agencies. The information presented in this session will be law enforcement sensitive; therefore, participation will be limited to campus law enforcement officials only.

Evaluating Campus Assets, Threats, and Vulnerabilities

Location: Medical Forum H

Presenter(s): Ed Freyer, PSP, Security 101

This session will focus on risk management principles and physical security system design concepts. In addition, the presenter will discuss how to evaluate assets, threats, and vulnerabilities for the development of an integrated physical security program for ACS colleges.

Tuesday, November 20

8:30 - 9:30 a.m.

Privacy Rights and College Responsibility

Location: Medical Forum H

Presenter(s): Dr. LeRoy Rooker, Director, Family Policy Compliance Office, U.S. Dept. of Education

This session will focus on the appropriate balance between a student's right to privacy and the College's responsibility to maintain a safe and secure campus. Dr. Rooker is recognized as an authority on FERPA and HIPAA and is currently consulting with Virginia Tech and other institutions of higher education on this important topic. This session is a repeat of Monday's session conducted at 2:45 p.m.

Prevention

Location: Medical Forum I

Presenter(s): Administrators, Shelby County Alabama School System

This session will focus on the implementation of proactive measures, such as video surveillance, controlled access, and other safety and security technology.

** Certificates of attendance will be provided for Campus Safety and Security sessions.*
